

## **Lynn O'Dowd Introduction**

Are you ready to let go of fear and perform at levels you never thought possible?

If you answered yes, you are in the right place.

Our speaker today created a process that helped her leap from a successful corporate consultant to a Rock'n'Roll singer and keynote performer.

She has successfully run her own business for 20 years, overcome Thyroid Cancer, and even walked on 40 feet of burning hot coals. If she can do that, just think what you can do!

When she is not out performing and transforming, you can find her walking her rescue dogs, or at the salon getting her hair bleached.

Helping us today to Unleash our Inner Superstar, please join me in welcoming from Chicago... speaker, consultant and sequin boot lover - **Lynn O'Dowd!**
